To Sheriff Keith Lovin:

Under the N.C. Public Records Law, G.S. 132-1, I am requesting a list of all Cherokee County residents who have applied for and/or have received a concealed carry permit.

If there are any fees for searching or copying these records, please inform me. However, as a member of the news media, I also would like to request a waiver of all fees in that the disclosure of the requested information is in the public interest. This information is not being sought for commercial purposes.

The law requires that you respond to and fulfill this request "as promptly as possible." If you expect a significant delay in responding to and fulfilling this request, please contact me with information about when I might expect copies or the ability to inspect the requested records by Friday, Feb. 22.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert Horne". The signature is stylized and cursive.
